STOP THE WAR

People have been sacrificing themselves.

End this, kids have to hide and protect themselves.

And this isn't fair, Putin, please, stop this.

Cease this, for the good of humanity.

End the war, for everyone.

Signora Dio di pace,

ascolta la nostra supplica!

Apri i nostri occhi e i nostri cuori

e clamori al cospetto di chi re:

"ma più la guerra!"

Tieni accesa la fiamma della speranza

perché vinca finalmente la Pace.

♥ PAPA FRANCESCO

Saint god of peace

Hear our plea!

Open our eyes and our hearts

And give us the courage to say:

"no more war!"

Keep the flame of hope burning

So that peace may finally win

PAPA FRANCESCO ♥

STOP WAR

No war.

War causes damage and the death of many people.

Children suffer while people run away.

No at everything this.

NO WAR

TOMEIO ANNA

No war

People are suffering, above all children.

Putin finish this!

This isn't fair. Please stop the war.

The people have been sacrificing themselves to save their mother country.

MATTEO

STOP WAR

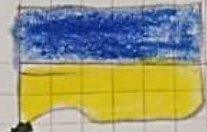

People have been suffering themselves
And this, kids have to hide and protect themselves
And this isn't fair. Please, please stop this.
Leave this for the good of humanity.
End the war, for everyone.

Comment on peace.

The wars are not to be seen,
Suffering does not have to exist.
All must be united
for a world without war
and without violence.

Per capire... Traduzione della Pace

Le lacrime non si devono vedere,
Le sofferenze non devono esistere,
tutti devono essere uniti
per un mondo senza guerre e senza ferme.

PACE

NO TO WAR

War is useless, it only causes hatred and fear.

It makes adults and children suffer.

People are forced to flee.

But the world doesn't want this.

WANTS PEACE.

NO ALLA GUERRA

La guerra non serve a niente, provoca solo odio e paura.

E soffrino gli adulti e i bambini.

Le persone sono costrette a fuggire.

Ma il mondo non vuole questo.

Vuole la  PACE.
