EU Code Week: Congratulations! Your Activity is Approved

A giusipescatore@libero.it

Codeweek

Registration Approved

Congratulations!

Your EU Code Week activity has been approved.

Looking for how to prepare your activity, and how to promote it? Take a look at the following resources to help you get started:

- [EU Code Week Activity Toolkit](#)
- [EU Code Week Resources Page](#)
- [Community](#)

If you are interested in linking your activity with those organised by friends, colleagues or other contacts, please find your unique Code Week 4 All code below:

cw26-EytCR

Participating in the Code Week 4 All challenge will allow you to expand your network in your community and across borders. Visit the [Code Week 4 All](#) challenge page to learn more about how you can start sharing your code and receive a Certificate of Excellence for your work.

Share your participation and encourage others to join the movement by downloading the #EUCodeWeek Participant Badge:

[Click here to download](#)

Use this badge to post on your organisation or school's website, and share it on social media to let others know about your involvement in EU Code Week!

Don't miss the latest updates. Follow #EUCodeWeek on social media!

Are you a teacher or educator? Join the [EU Code Week Teachers](#) group on Facebook to exchange ideas, lesson plans, and have any questions answered about bringing Code Week to your students!
